Large Stock of All Wool De Laines, Halls, maked within convenient distances of completed ine, found relief from the first trial, and in The Dement House, SUMMER CLOTHING Happy idle ? Imposible ! Or so argues Carlyle, in an elequent passe ants had been established, and were in full blast, ice cream and cigars being the staple articles of trade, next to watermelons—the watermelons had decidedly the best of 11. Those who were not munching watermelons were maching gingerbread, and those who were not munching were smoking.

On the outskirts of the congregation the usual amount of obscenity, scoffing and profanity was to be heard, this style of thing being of course, directly traccable to the Gentles, otherwise the outsiders. They were not sufficiently loud in their indocencies, however, to distarb the seriousness of the services. T FULTON CITY, ILL., FORMERL Counting House Furniture. At Greatly Reduced Prices Or so argues Carlyle, In an eloquent passage; "There is a perennial nobleties, and even sacredness in sork. Were he never so benighted, forgetful of his high calling, there is always hope in a man that actually and earnestly works; in ellenses eleme there is perpetual despoir. Work, never so Mammoniab, mean, is in communication with Nature's appointments and regulations, which are true.

Consider how, even in the meanest sores of labor, the whole soul of a man is composed into a kind of real harmony, the instant he sets himself its work. Doubt, desire, sorrow, remoree, indignation, despair itself, all these, like hell-dogs, lie belieaguering the soul of the poor day kept by J. L.
